

GEOM 67 Problem Solving and Programming
Group Project Contribution Log

Group Member	Task/Contribution	Date completed
Craig	Intro, user input	Nov 22
	Coding runoff	Nov 15
	Comparison of stream runoff ratio vs watershed runoff ratio	Nov 29
	Repetition	Nov 29
	Make error results excel file	Nov 29
	Problematic test file s	Nov 29
	Putting sections of code into functions	Nov 29
Mike	Runoff ratio for stream	Nov 29
	Runoff ratio for watershed	Nov 29
	Error handling(error handling to .csv file), data validation, exceptions	Nov 29
	Problematic test file s	Nov 29
	Putting sections of code into functions	Nov 29
Roshelle	Coding precipitation and initial structure for runoff	Nov 15
	Error handling, data validation, and exceptions	Nov 29
	Putting sections of code into functions	Nov 29
	Organizing code and merging functions with design	Nov 29
	Comments	Dec 2
